

National Forum of State Nursing Workforce Centers

Annual Conference

June 6-8, 2018

Rosemont Embassy Suites, O'Hare

5500 North River Road

Rosemont, IL

P4: Policy, Practice, Populations, Possibilities

Purpose

Galvanize stakeholders and policy makers to create and implement strategies that will guide nursing education and practice with the goal of improving population health in the United States.

Who should attend

This conference is developed for nursing, healthcare, workforce leaders and researchers from across the country to discuss important issues related to the current and future nursing workforce of America. Sessions are related to nursing workforce data, policy and regulatory issues and their impact on nursing practice, population health and future possibilities for nursing and health care. Thursday afternoon will focus on issues of interest to nursing educators; a special one-day conference rate is available (includes lunch).

Continuing education

The National Forum is working with the Ohio League for Nursing to award nursing contact hours for the conference. The Ohio League for Nursing (OBN-006-92)) is authorized by the Ohio Board of Nursing as an approver of continuing education.
